FROM OUR INTERIM SENIOR PASTOR...

Dear Lynnhurst Folk:

“Summertime and the living is easy . . .” Gershwin’s famous words from *Porgy and Bess*. And there is a great deal of truth to that phrase, but the summer is also full of life with all its ups and downs. There are fun and relaxing gatherings. There are vacations and opportunities to be with family and friends. There are less meetings (usually) and less of the schedules we often keep in the rest of the year. There are outdoor concerts and art festivals. And for some of our number, there have been travels to Kenya and a chance to build relationships with our brothers and sisters at Daylight School. And any good Minnesotan knows that you best take advantage of the warm weather, even on the sticky hot days, because we don’t get as many as other climes.

But summer brings all of the rest of life with it. We have witnessed horrendous violence and racism across our land. The economy continues to fluctuate across the world and make us all a tad uneasy. The global threats of war fill the news. And we have, closer to home, lost loved ones, this summer through illness. And we have struggled along with others we love as they fight disease and recover from surgery. Summer is full of all that life offers.

Throughout the ups and downs, God is present. God is ever with us as we enjoy the beauty of creation and the company of others. God is with us in the midst of the tragedies of life, global, national, local and personal. God is close, if we but listen and become still to become more aware of God’s presence. May the rest of your summer be easy and full of the presence of God.

Grace and Peace,
Anita

Exciting News from our Senior Pastor Search Committee -

We are excited to welcome Rev. Cynthia Riggan as Lynnhurst UCC’s new Sr. Pastor! Pastor Cynthia has served churches in San Mateo, CA, Woodinville WA and most recently Everett WA. She is committed to co-creating with our progressive Christian faith community as we embody our still speaking God through our justice and outreach. Prior to her season at Pacific School of Religion seminary for her Masters of Divinity degree, Pastor Cynthia was a Higher Education Administrator, Counselor, Residence Hall Director and Field Representative for the Bureau of the Census conducting interviews effecting the Consumer Price Index. Her greatest joys are her spouse of 18 years, Celeste Douville and their seven-year-old son, Emerson. Stay tuned for more updates from Cynthia next month!

A NEW SINGING MINISTRY IS ON ITS WAY AT LYNNHURST!

The goal: to create beautiful and excellent choral music to share with those who are unable to attend church services. Interested singers met on July 15th, launched the idea, and agreed on the name, **Angeli**, meaning 'angels' or messengers'. This group will be a sub-set of the Parish Nurse Program, and is separate from any other musical groups at church. Still in its formative stage, we pray that God and the Holy Spirit will guide us as we gather and explore what this ministry may become at Lynnhurst. We are interested in singers especially drawn to this ministry as we share harmonious choral music. Come join us on Sunday, August 30th, (and all the last Sundays of the month this year) at 5 PM at church.

We will have a microphone available so that you can explain why the water you contributed is meaningful. Welcome Home Sunday this year is September 13, 2015.

Lynnhurst Congregational UCC ~ Annual Meeting ~ June 14, 2015

After Assistant Moderator Jodie Meyer called the meeting to order, Rev. Anita Bradshaw led the group with an opening prayer.

It was moved and seconded to approve the minutes of the 2014 annual meeting. The motion was approved.

Financial Update: Treasurer Clark Meyer reported that it has been a good year financially. He said that it was planned to use \$37,000 from the Scroggins fund and other investment funds, but only \$6,000 has been needed so far. As of the end of May, 103% of budgeted income has been received, while the church has spent less than what was budgeted. The endowment fund is at \$75,000, after spending \$150,000 of the fund for a new heating system.

Church Leadership Council (CLC) Report: Jodie Meyer, reporting for Moderator John Goodrich, said that the first year of the CLC went well and that the Council has been involved in:

- Revising leases for groups that rent space in the building.
- Creating a new model for the Fall Festival, with the Assistant Moderator as the point person.
- Allocating additional funds for funding the pastoral search process.
- Developing the members part of the church web site.
- Developing a master calendar for the year.
- Terminating the general printed distribution of the newsletter in favor of an online version.
- Providing \$1,000 to support the folks going on the trip to Daylight Center in Kenya.
- Working on a Safe Church policy.
- Developing the 2015-2016 annual budget.

Search Committee Report: Steve Lindemann and Leon Erstad reported that Rev. Cynthia Riggan has been called to be the new senior minister. She is currently acting as a bridge minister for a congregation in the Seattle area. Earlier she was the senior minister for Northside UCC Church. She and her partner Celeste have one child. It is hoped that her candidate sermon will be in late June or early July and that she would start at the end of summer. Both Steve and Leon were very pleased with the results of the search process and were very thankful for the good work done by committee members.

2015-2016 Budget: Sharon Decker said that the goal for this budget was to reduce the dependence on the Scroggins Fund and to increase pledge income (which provides 65% of the income for the budget). She said that 64% of members increased their pledges this year. In addition, committees were asked to cut spending. The result is that the new budget only has a deficit of \$6,000, which might be eliminated by special gifts or other unexpected sources of income. She said that this was a very positive step in our effort to live within our means. It was moved and seconded that the budget be approved. The motion was approved.

Nominating Committee Report: Jodie Meyer first recognized those members who had served on committees in the past year but whose tenure is ending. She noted that there are some

committees that still need members. It was moved and seconded that the committee report be approved. The motion was approved.

Interim Minister Report: Rev. Bradshaw said that she wished we had some champagne available to toast to a very good year. She said that it has been a transition year with a change in pastors and in governance structure. She said that we have been able to express our dreams for the future. She noted that the stewardship campaign was re-conceived and was very successful. She described the creation of the new position of the Director of Faith Development for the next budget year. She noted passing of and celebrations of life for Jeff Kosse, Mary Lou Bowen, and Cordelia Johnson. And she expressed thanks for all the support that she has received and said she was very grateful for the privilege of serving Lynnhurst. She received a standing ovation.

New Business: The new position of Director of Faith Formation was described by Amber Nord. She said that because of declining attendance at the youth choirs, the Youth Choir Director position is being eliminated and the money for that position and for the Youth Director position are being combined for the new position. That person will be charged with working on faith formation for families and youth, recruiting Sunday School teachers, organizing youth activities and also inter-generational activities. The Christmas Pageant will still take place but will be organized by volunteers. The job description has been written and will soon be published.

Cheryl Brockman said that, because of her more frequent travels, she is looking for someone willing to serve as her assistant as Financial Secretary. She also said that there is a need for volunteers to help in the cribbery during the summer. There is a sign-up sheet in the lounge.

After a closing prayer by Rev. Bradshaw, the meeting adjourned.

A WONDERFUL EDUCATIONAL OPPORTUNITY FOR THOSE AGE 62 and ABOVE

We want to share information about a wonderful educational opportunity, of which we took advantage this last Spring semester at the U of MN. From University's website, "The Senior Citizen Education Program (SCEP) is part of a [Minnesota state statute](#) and applies to Minnesota State Colleges and Universities (MNSCU). The University of Minnesota has chosen to participate in order to provide senior citizens with higher education opportunities. If you meet the residency and age requirements of the SCEP, you may audit courses free of charge or take courses for credit at \$10 per credit. Whether you audit or earn credits for the course, you must pay any required

laboratory or materials fees. To receive **SCEP**-reduced tuition benefits, you must be a Minnesota resident and 62 or older before the start of the term for which you are registering. You are also eligible if you are 60 years old and receiving a railroad retirement annuity. At your initial registration for classes, you will need to provide identification to verify your age, Minnesota residency, and (if applicable) railroad retirement annuity. You may register on or after the registration date for non-degree students for the term, and you can register through the first two weeks of the term without penalty. Priority is given to currently enrolled students for open class seats.”

To get more information, go to a [One Stop Student Services Center](#) or visit the **SCEP** web page at: <https://onestop.umn.edu/>. If you would like to know more about our experiences with **SCEP**, feel free to ask us. Mary Kay Willert and Paul Olson
