FROM OUR SENIOR PASTOR...

Dear Lynnhurst UCC Members and Friends,

“Gratitude is an Attitude” It is a daily choice to choose to turn towards all we have in our lives and be grateful. To give thanks to God for our many Blessings. In this season of Thanksgiving, we at Lynnhurst Congregational United Church of Christ have much to be thankful for. Two aspects of our church community that I’m thankful for is our deep care for one another and our open-minded and open-heartedness. Our deep care for one another is evident in our truly intergenerational church community. It is beautiful to hear baby coos and sounds in worship, to listen to the questions of our young ones and to hear the history of how important and necessary this church has been over the years to our elders. Our deep care for one another is evident in the involvement and commitment of all of our Committees, Church Leadership Council, and Choir. Whether the Halloween Party, Choir practice, updating staff job descriptions, renters contracts, Book Club, weekly Bible Study, teaching Sunday School, hanging an art show, generously sharing our financial gifts and bringing food for those in need, these are the tangible ways we embody our Christian faith of loving God with our entire being and loving our neighbor as our self.

Our open-mindedness and open-heartedness is another aspect of our church community to give thanks for. A former congregation I served explained open-minded this way, “Open-minded means we understand faith as a quest, not a clutched certainty. Open-minded transcends the conservative and liberal labels. We enter appreciatively into different points of view with the expectation of learning and growing. We see openness as a key to meaningful spirituality.” I’ve experienced and noticed this openness and deep care for the church community regarding the new aspects of worship. It’s incredibly refreshing and life-giving to hear, “You know Pastor Cynthia I’m struggling with Passing the Peace as it moves me out of my comfort zone. Yet I also know that might be the best part of worship for the person sitting next to me in the pew.” Thank you, beloved community for your willingness to experiment with new ways of being faithful. It’s one of the many ways we live out the wisdom, “Gratitude is an Attitude.”

Thanks too for taking a few minutes to engage the letter from our amazing Diaconate.

See you in church.

May God’s grace and joy be yours in abundance.

Pastor Cynthia

It is November already, and the Thanksgiving through New Year's holiday season is rapidly upon us. A thought for this upcoming season: words matter. Consider how you could tell your family members and friends what you genuinely appreciate about them. It will make a difference for both of you. Be aware that depression can rear up during this season and that extra words and kindness towards others or yourself can make a real difference.

**THINK 3
November 15!**

A NOTE FROM DIACONATE,

We worship, study, and recognize Christ's spirit in each person. We strive to be a spiritually thriving, diverse Christian Fellowship. We lovingly act to build community, develop faith, and to put our faith into action, based on our belief that God is still speaking." This, our vision statement is a guide to us in our decisions we make in our lives and in our church community.

The Diaconate has been in discussion with Pastor Cynthia about the worship service. It is feeling different to everyone. Warmer, passionate, spiritual, genuine are some words that we have heard describing the feeling during worship. We have also heard from some that there are new aspects to the worship service they question, and would like to stay with the familiar.

Part of any transition to a new minister is trying out new ideas and ways of worship. Sometimes this can be uncomfortable as we explore our future together. As we strive to be a spiritually thriving, diverse Christian Fellowship, we celebrate and support new ideas as we explore and experience new ways to grow. Pastor Cynthia and the Diaconate welcome your thoughts and feelings about your worship experience in our spiritual community we call Lynnhurst.

If you have feelings to share with us, please take some time to communicate via phone, email, paper. Please tell us the What and the Why, so that we can better understand. Also, please include your name so we know who to communicate with. If you would rather call us or send an email with your thoughts that is great too.

Thank you for sharing with us as we seek to create a genuine, meaningful worship experience for all people as we continue to grow as a Christian community. The Diaconate will be reading and discussing your thoughts during our meetings. There will be ongoing opportunities to share your thoughts in the future.

COMING UP AT LYNNHURST

A NOTE FROM SHARON DECKER:

Last June Clark Meyer, the Lynnhurst Treasurer, took a medical leave from his duties. I stepped in to be acting treasurer (with help from Dick Musser) while he recovered.

This situation brought up some concerns about our treasurer's position. Handling the bill paying, payroll, tax reporting, preparation of financial reports, etc. is a very time consuming job. Lynnhurst has been very fortunate that Clark was willing to invest many hours each week to do this job carefully and conscientiously. But having all that responsibility on one person, and then to have that one person experience a medical emergency, highlighted the need for more backup in our system.

To address this need CLC has approved three major changes to our treasurer position:

1. We have changed to a web-based QuickBooks accounting system. We have used QuickBooks for many years but it has been housed on one computer and therefore accessible to only one person. The web-based QB allows multiple people to access the account.
2. We have added a payroll processing package through Intuit which is fully integrated with our new QB. This greatly simplifies the bi-weekly payroll preparation for the Treasurer. Intuit also files all payroll taxes and assumes liability for any errors made to the tax filings.
3. With access to the web-based QB, we can now divide the Treasurer's duties. This not only makes the job

requirements more reasonable for volunteers but also provides some on-going oversight. While Lynnhurst has been blessed with scrupulously honest and diligent treasurers in the past, it is good practice to institute some routine oversight into our system.

Now that I have set up our new web-based QB accounting and payroll system, we are able to divide the accounting tasks between Clark Meyer, Jon Sutton and myself. We are still working out all the details but at this point the division of tasks is:

Jon Sutton: Bill paying, recording expenditures into system, reviewing invoices and tracking accounts.

Sharon Decker: Payroll management, bank reconciliation, coordination with financial secretary, monthly financial reports for church operations and Mission, liaison to committees as needed.

Clark Meyer: Manage endowment funds and investments, provide endowment reports, review monthly financial reports.

Financial questions can be directed to me (Sharon Decker) or, if you prefer, to all three of us and we'll sort out who needs to respond. Please be patient as we all adjust to our new system.

THE MUSIC AND ARTS COMMITTEE WILL PRESENT AN EXHIBIT BY PHOTOGRAPHER SOLVEI STOHL, OPENING SUNDAY, NOVEMBER 22.

Solvei has been taking photographs since the 1970's while attending Augustana College. After moving to Minneapolis, she continued to photograph in B&W while she worked for a photography business in their darkroom, printing photos by hand. From 1987-2005 Solvei focused on documenting the work and travel she and her husband, Peter, did in Lithuania.

“I was inspired by our surroundings in Lithuania and did a lot of street photography, which I came to love.

While living in Kaunas, Lithuania, I took a series of art photos of the city center and Old Town. I was fascinated by the textures: the cobblestone streets, the brick, stone, and stucco buildings, the rooftops with multi-vented chimneys, and ivy. Now that we live in St. Paul I am still attracted to such things.”

Solvei has exhibited her work in galleries in Lithuania and in the metro area since her and Peter's return to the states.

For example, a picture for remember might be of an old building. Please send jpegs to me each week as you participate and they will be shared in the Weekly Faith Formation emails. If you miss a day or want to take all of your pictures at one time, that is also okay. A Bible verse is included to inspire you and offer a time of reflection. LOCK IN RAISED \$140 FOR LITTLE KITCHEN FOOD SHELF

Last spring, the TRUST youth voted to focus on an environmental theme for the year. Participants at the Lock-in last weekend brought food and cash donations for Little Kitchen Food Shelf in north Minneapolis. Little Kitchen helps people who cannot use other food shelves, often because they are recent immigrants who cannot prove residency. Most clients only visit Little Kitchen once or twice. Many of the clients are mothers with children who have been displaced due to industrial farming in their home countries. Little Kitchen also offers summer camp programs to teach kids how to farm in containers or small city yards. The youth donated \$140 and three large bags of food and household items for Little Kitchen. The cash will stretch to nearly \$1400 in buying power for the food shelf.

NATIONAL YOUTH EVENT

Every four years the United Church of Christ hosts a National Youth event to empower young leaders. The next event is in 2016 in July and is open to all youth between the ages of 13 and 18. It will feature five days of workshops on how to be engaging leaders, faith and team building exercises and community outreach and service projects. Over the next few months you will hear of fundraisers and events to help pay to send as many youth leaders from Lynnhurst as possible. Please join us for a congregational meeting in late October (date and time TBD) to hear more about how this event can be transformative for both the attendees and the congregations that support them.
